

## Orkla Policy for Food Safety and Quality

Food Safety and Quality are cornerstones in building strong consumer and customer relations and a long-term sound and profitable business. Good Food Safety and Quality systems applied in a uniform way therefore have the highest priority in Orkla and we have taken an uncompromising stance on this issue.

Thus, all food and drink producing factories in Orkla shall comply with Orkla Food Safety Standard, and Storage & Distribution companies shall comply with Orkla Food Safety Standard Storage & Distribution. Consequently, all sites shall be committed to continuously improve the site's food safety and quality culture.

All products sold by Orkla shall at all times be safe, legal, authentic and to the specified quality as well as meet customer requirements and consumer expectations.

Likewise, raw materials, contract produced finished products and primary packaging materials purchased shall at all times be safe, legal, authentic and meet our set specifications.
